THE NET-A-PORTER GROUP LIMITED,)

Opposer, Yoshida & Co., Ltd. ("Yoshida"), a company based in Japan having an address at 1-17-6, Higashi-Kanda, Chiyoda-ku, Tokyo 101-0031, believes that it is being and will be damaged by the registration of the mark MISS PORTER for providing "The provision of retail store and on-line retail store services featuring clothing, headgear and footwear, jewelry, watches, fashion accessories, textiles, cosmetics, non-medicated toilet preparations, eye wear, from an Internet website; the provision of retail store services featuring clothing, headgear and footwear, jewelry, watches, fashion accessories, textiles, cosmetics, non-medicated toilet preparations, eye wear, via a television channel; the provision of retail store services featuring clothing, headgear and footwear, jewelry, watches, fashion accessories, textiles, cosmetics, non-medicated toilet preparations, eye wear, via a telephone or mobile phone or telecommunications device; the provision of retail store services featuring clothing, headgear and footwear, jewelry, watches, fashion accessories, textiles, cosmetics, non-medicated toilet preparations, eye wear, by way of direct marketing; the provision of information and advice in relation to retail services; business management consultancy; provision of advice and assistance in the selection of goods; advertising for others; none of the foregoing provided by a school, provided in affiliation with a school, or bearing indicia of a

school" in International Class 35 (collectively the "MISS PORTER services") listed in Application No. 79/114,127 filed by Applicant, The Net-a-Porter Group Limited ("Applicant"), and hereby opposes the same." As grounds for opposition, Yoshida alleges the following upon actual knowledge with respect to Yoshida's own acts, and upon information and belief as to other matters:

1. Yoshida designs, manufactures and sells luxury bags and accessories focused on design, craftsmanship and durability. The company was originally founded in 1935 as Yoshida Kaban Seisakujo and renamed Yoshida & Co., Ltd. in 1951. Yoshida began selling its products under the mark "PORTER" in Japan in 1962. Yoshida's products were introduced in the U.S. in 1982 when Mr. Katsuyuki Yoshida, then the company's Chief Director, became the first Japanese bag designer elected as a member of the fashion trade show, New York Designers' Collective exhibition. Subsequent to the exhibition and up to 2009, Yoshida sold handbags in the U.S. through one-time agreements with U.S. retailers including Barneys New York, Alan Bilzerian and San Francisco Clothing (in New York). Yoshida bags have been distributed in the U.S. since 2009 by Marubeni America Corporation, PARK & BOND and JA-MH, Inc. and have been sold in retail stores such as J. Crew, Saks Fifth Avenue and Nordstrom. PORTER branded goods are known and recognized as having a particularly high standard of quality.

2. Yoshida's PORTER trademark is the subject of the following U.S. registrations, all of which are valid and subsisting and two of which are incontestable (Reg. Nos. 2,131,161 and 1,602,298).

	Trademark	Reg. No. Int'l Class; Goods/Services	Status

--	--	---	--

Yoshida's PORTER trademarks referenced in paragraphs 2 and 3 are collectively referred to as the PORTER Marks. Records from the USPTO's TESS database for the PORTER Marks are attached as Exhibits A and B. Yoshida's use and registration of the PORTER Marks has produced strong trademarks that are well-recognized and firmly associated with Yoshida.

4. The registrations referenced in paragraph 2 constitute *prima facie* evidence of the validity of the registered marks, of the registration of the marks, and of Yoshida's ownership of these marks, as provided by § 33(a) of the Trademark Act, 15 U.S.C. § 1115.

5. Registration numbers 2,131,161 and 1,602,298, referenced in rows 1 and 2 of the table in paragraph 2, are incontestable under § 15 of the Lanham Act, 15 U.S.C. § 1065, and are conclusive evidence of Opposer's exclusive right to use said marks in connection with the goods specified in said registrations.

6. Yoshida's PORTER and Design mark, referenced in row 1 of the table in paragraph 2, has been in use in commerce since at least as early as May 1988 for travel articles made from leather and imitation leather namely, shoulder bags, carry-on bags, sports bags for all purposes and luggage.

7. Yoshida has extensively used and promoted the PORTER Marks in the U.S. Yoshida's use, promotion, sales and advertising of products and services under the PORTER Marks have resulted in valuable goodwill to Yoshida.

8. As a result of the use, promotion, advertising, sales, and consumer recognition of the PORTER Marks by Yoshida, these marks have become famous, and were famous prior to the filing of the opposed MISS PORTER mark by Applicant.

9. Applicant filed U.S. Application No. 79/114,127 for the mark MISS PORTER in International Class 35 on July 12, 2012 under Section 66(a) of the Lanham Act. Applicant's filing date is subsequent to the date Yoshida acquired rights in the PORTER brand through use and registration. Also, Applicant's filing date occurred long after the issuance and incontestability of U.S. Registration Nos. 1,602,298 and 2,131,161, and the issuance of U.S. Registration Nos. 3,781,230, 3,791,558 and 3,864,661.

10. The parties have been engaged in business negotiations regarding sale of Yoshida goods through Applicant's website since 2011. These negotiations primarily focus on attaining agreement as to how Applicant will use its marks that include the wording "PORTER" in such a way as to avoid consumer confusion.

In the midst of the ongoing negotiations between the parties, Applicant adopted the current mark without definite prior consent of Yoshida. Yoshida believes that Applicant's adoption and use of the current mark and filing of the current trademark application were done to unfairly benefit from the success and brand value of Yoshida's PORTER Marks. As such, Applicant's actions have led to damage to the goodwill Yoshida has built in its PORTER Marks.

11. Applicant's MISS PORTER mark is confusingly similar to Yoshida's PORTER Marks.

12. Yoshida's use of the PORTER Marks in the U.S. Predated the launch of Applicant's website and its associated use of the MISS PORTER mark. Additionally, Yoshida's U.S. registrations for PORTER and Design (Reg. Nos. 1,602,298 and 2,131,161)

were issued prior to the launch of Applicant's website and its associated use of the MISS PORTER mark.

13. The services identified in Applicant's application are closely related to the goods and services offered by Yoshida, particularly "The provision of retail store and on-line retail store services featuring...fashion accessories..., from an Internet website; the provision of retail store services featuring...fashion accessories..., via a television channel; the provision of retail store services featuring...fashion accessories..., via a telephone or mobile phone or telecommunications device; the provision of retail store services featuring...fashion accessories..., by way of direct marketing."

14. Upon information and belief, the goods and services of both Yoshida and Applicant are marketed and sold to similar consumers in the same or closely-related channels of trade.

15. As a result, Yoshida will be damaged if Applicant's MISS PORTER mark proceeds to registration for the MISS PORTER services because the MISS PORTER mark so resembles Yoshida's PORTER Marks as to be likely, when used on or in connection with the MISS PORTER services, to cause confusion, to cause mistake, or to deceive, in contravention of § 2(d) of the Lanham Act, 15 U.S.C. § 1052(d).

16. Applicant's MISS PORTER mark for the MISS PORTER services is likely to cause dilution of the distinctive nature of Yoshida's PORTER Marks in contravention of § 43(c) of the Lanham Act, 15 U.S.C. § 1125(c).

17. In view of Yoshida's senior rights to the PORTER Marks based on its prior use and registration, Applicant is not entitled to the registration of the MISS PORTER mark for the MISS PORTER services as shown in U.S. Application No. 79/114,127.

18. If Applicant is allowed to register Application No. 79/114,127, Yoshida will suffer considerable damage to its famous and distinctive PORTER Marks.

19. For the reasons set forth above, Yoshida respectfully requests that the Trademark Trial and Appeal Board refuse registration of Applicant's MISS PORTER mark for the services identified in the application in International Class 35 and grant Yoshida's Opposition.

This opposition is being filed electronically, without the requirement of any duplicate copies. The filing fee in the amount of \$300 is being paid concurrently with the filing.
